2020-2023 BEST ENJOYED

12-51 YEARS AGED VINES

Very vinous from the beginning. Pomelo, meadow herbs and hay in the nose. Finely structured; some stone flour; straightforward and pleasantly round on the palate. Ripe pear and again hints of lemon. Good reverberation. Proves impressively how versatile a South Styrian Welsch can be. (*Thomas Schabl, Diploma sommelier*)

grape variety

A very late-ripening variety, needs warm sites with good air drainage. Clusters are medium-sized, cylindrical with a small side-cluster.

vintage

Grapes picked and selected by hand, carefully whole-bunch pressed and slowly fermented in stainless steel tanks, then left to mature on the lees for five months.

ground / cultivation area

Lime-free clay, silt and sand; primary rock soils.

food attendant

Ideal as an aperitif, or for a summer party, from beginning to end; also great with hearty starters.
