Bomb bouquet! With a whole handful world of aromatic. From exotic scents like mango, apricot and honeydew melon to floral touches. The vibrant acidity meets the slightly higher residual sugar at eye level, thus keeping the balance. This exciting balance paired with the intense aromatic play brings a lot of fun in the glass. (Jan-Hendrik Maier, graduate sommelier)

grape variety

A German crossing by Georg Scheu from an unknown variety and Riesling, yielding very bouquet-intensive flowery wines with a Riesling-like structure.

vintage

Harvest and grape selection by hand, gentle pressing of the grapes, slow spontaneous fermentation in stainless steel tanks, aging on the fine lees.

ground / cultivation area

Calcareous, deep clay soils.
