25 YEARS AGED VINES

A whole basket of fully ripe fruits – including sweet peach, greengage and apricot, intertwined with a tender scent of elder blossoms. Lots of freshness in the nose, paired with dried yellow fruits. Juicy-concentrated on the palate, lively and clear, great interplay of sugar and acidity. Nicely balanced. (Arno Bergler – WeinErleben)

grape variety

The variety has medium-sized leaves with a coarse surface. The underside is quite hairy, clusters are small, densely-berried and winged. Late-ripening small yellow-green berries.

vintage

Grapes picked and selected by hand, mostly toward end of harvest. The partly over-ripe grapes are carefully whole-bunch crushed using a vertical plunger press.

ground / cultivation area

Opok (limey marl).
