Wonderfully individual and very exciting – an impenetrable mesh of aromas with preserved apricots and dried hay flowers, grain, malt and a little peat. Needs plenty of time to breathe and let a dried fruit fragrance develop. Juicy and spicy on the palate. Very long. (Arno Bergler, WeinErleben)

## grape variety

A very late-ripening variety, it needs warm sites with good air drainage. Clusters are medium-sized, cylindrical and have a little side-

Harvesting and grape selection by hand. 12 hour maceration period - destemmed. Gentle pressing using a basket press. Slow fermentation in 300 litre barrels (known as Holm). 12 months' maturation in barrels, followed by 6 months' maturation in steel tanks. Bottled without filtration.

### /////// ground / cultivation area

Lime sandstone and opok (limey marl).

### food attendant

Fits the traditional austrian food like goose, duck or roast out of the oven. Tastes also to quince dishes.
