CORK CAP

Fragrant and intense at first. Stinging nettle and garden herbs in the nose, yellow gooseberry and a fine aroma. Wiry on the palate with a chalky structure, lean in the finish, some lime and fresh apricot. A slight smokiness lingers on the palate.

grape variety

A small-leafed variety with dense foliage, the clusters small, compact and cylindrical, the berries intensely aromatic.

vintage

Grapes picked and selected by hand, destemmed and carefully pressed after a short while on the skins, slow spontaneous fermentation in traditional wooden casks, left to mature on the lees for 12 months.

ground / cultivation area

Shell limestone, limey marl ("opok") and clay-rich soils.

food attendant

Ideal with fresh water fish, asparagus, and other dishes based on all types of vegetables. Excellent with spicy food and mild curries.
