Fine aromas of spice, hibiscus and quince, juicy star fruit and the light bitterness of watercress. Makes an immediate impact in the mouth, juicy and engaging, hints of dandelion and a lush finish. (Arno Bergler, WeinErleben)

grape variety

Among the oldest grape varieties cultivated on earth. Susceptible to bunch rot and late-maturing, it needs warm and frost-free conditions. Clusters are medium-sized, elongated and winged, to double.

vintage

Grapes picked and selected by hand, left on the skins for a while, then carefully pressed, followed by slow controlled fermentation in stainless steel tanks, and left to mature on the lees for five months.

ground / cultivation area

Muscat Blanc à Petits Grains needs soils with good water and air drainage. This is why we cultivate it on elevated gravelly and/or sandy soils.

food attendant

Excellent with light antipasti and spicy dishes of the ethno and fusion cuisine, also an ideal aperitif for almost any occasion.
